

EcoPlus™ is our green generation recycled wiper/scraper mat that delivers excellent performance in heavy traffic areas!

- Offers a green mat alternative that can contribute to obtaining LEED credits.
- As a performance wiper/scraper mat, this product prevents debris from traveling into the building.
- Nib backing design helps provide stability to the mat and eliminates curling
- Water dam border holds up to 1 gal. of water and prevents dirt from spilling onto floors, keeping entrances dryer and safer

ECOPLUS™ APPLICATIONS

For interior areas with heavy traffic over 5,000 persons per day. e.g.: University, Airport, Hospital, Large retail store, Shopping mall and School

FEATURES

- Crush-proof V-pattern will maintain appearance and performance
- Elevated construction will scrape shoes and hold dirt beneath shoe level, while wiping moisture
- Contain 20% backing and 100% surface recycled materials
