

With its incomparable durability, Industrial Deck Plate is by far the most widely used style of product in the industry!

- Long lasting ergonomic mat designed for work stations where oil and chemicals are used
- Relieves stress on knee, foot and ankle joint pressure points resulting from long standing
- Provides maximum slip resistance to protect workers from slips and falls

INDUSTRIAL DECK PLATE APPLICATIONS

Provide a medium to heavy duty solution for dry areas e.g.: Finishing Station, Assembly Station, Work Station

FEATURES

- Deck plate surface fused to an industrial grade PVC foam backing to offer comfort and relief
- Exclusive Fusion technology bonds the layers to reduce the possibility of product separation
- Durable slip-resistant surface tolerates cart traffic
- Contains up to 30% recycled material
