

Safewalk-Light™ is our economical drainage mat that offers superior traction and good resistance to oil and fats!

- Provides better slip resistance than ceramic and cement floors
- Raised base promotes movement of liquids resulting in a safer work environment
- Designed as a lightweight product that is easy to handle, clean and maintain

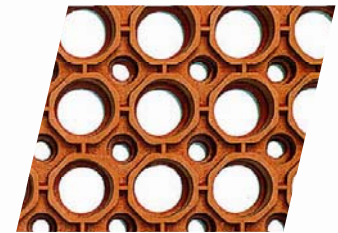

SAFEWALK-LIGHT™ APPLICATIONS

Provides a light to medium-duty solution for oily areas e.g.: Kitchen, Cafeteria and Cookline, Food Processing facility and the Packaging industry

FEATURES

- Nitrile rubber blend increases the resistance to oil and fats
- Low profile and molded edging
- Contains 15% recycled material
