

Cushion-Tile™ is our modular vinyl tile offering drainage and ease of installation for a safer work environment!

- Modular interlocking tile for ease of installation
- Triangular open grid design to facilitate the movement of liquids
- Available with grit surface to reduce the risk of slips and falls

CUSHION-TILE™ APPLICATIONS

Provides a medium-duty solution for wet areas. e.g.: Large work cell, Workstation, Finishing station, Assembly station, Display flooring, Pool and sauna

FEATURES

- Slip-resistant, drain through surface
- Resists most chemicals and oil
- Also available with non-slip grit surface for extra traction and safety
- Optional ramps available
