

Spark-Safe™ anti-fatigue welding mat is resistant to sparks, adding to workers safety and comfort.

- Spark-Safe™ specially formulated spark resistant rubber surface decreases the chance of fire by repelling sparks and hot metals
- Provides a combination of anti-fatigue and slip resistance for areas that require high performance

SPARK-SAFE™ APPLICATIONS

Provide a heavy duty solution for dry areas e.g.: Machine Shop, Assembly Line, Steel Mill, Maintenance Department

FEATURES

- Durable anti-fatigue mat that repels sparks and hot metal shards
- Specially formulated spark-resistant rubber surface (passes FMVSS302)
- Foam base provides excellent anti-fatigue relief
- Edges are beveled for added safety
